

Dear Mr. Cappelluti,

Hello! My name is Xingxiang Liu and I'm from Shanghai, China. Thank you so much for the Christian Cappelluti Memorial Scholarship fund you invested here at WFU. I'm a junior this semester majoring in Music Performance in Voice and Biology and minoring in Psychology. I had the honor to have the scholarship for two years and it has really encouraged me to pursue my career in music. I was at first minoring in Music, but the wonderful music faculty at Wake and this scholarship made me change my mind. Right now I'm in the WFU concert choir, and I have performed in concerts

such as the Student Concerto Concert and Student Showcase Concert, and won the second place in Cibles and Klarris Competition.

Again, thank you so much for this generous scholarship, and it has really helped me change my career path and find my life passion.

Sincerely,

Xingxiang Liu
