

Dear Mr. Cappelluti,

I would like to sincerely thank you for providing a scholarship that allows me to further my studies at Wake Forest University. I am a Mathematical Statistics major with Music and German minors. I hope to continue my studies in graduate school next year. The Cappelluti Memorial Fund has enabled me to pursue academic interests that I am truly passionate about. Participating in music ensembles has been an integral part of my time at Wake Forest, and this scholarship has allowed me to continue doing so. Additionally, I participate in Kappa Kappa Psi, the band service fraternity. Your support has opened the door for numerous possibilities for me. I am so grateful for the experiences I have had at Wake Forest, and I look forward to many more. Thank you, again, for investing in my education, I am truly grateful.

Sincerely,  
Anna Flowers
