Note of Gratitude:

Mr. Cappelluti,

Dear Cappelluti family,

I want to start by giving genuine thanks for this award and opportunity. I chose to attend Wake because I wanted a well-rounded and open-minded community. Wake Forest, and especially the music department, has exceeded my expectations on that, and I cannot even begin to say how much it means to me to have the experience that Wake Forest continues to offer. My goal has always been to understand the world better; to understand people and our environment. I hope to apply my knowledge in these areas to the practice of music and medicine—in the hope that I can use it to do my part to make the world a better place—and thanks to your generosity, I am well on my way there.

Thank you once again. Much gratitude.

Sincerely,

Roscoe Bell
